SECTION 8: OTHER RFQ REQUIREMENTS

8.1 Determination of Vendor Responsibility

New York State procurement law requires that state agencies award contracts only to responsible Vendors. Additionally, the New York State Comptroller must be satisfied that a proposed Contractor is responsible before approving a contract award under Section 112 of the State Finance Law. Section 163 of the New York State Finance Law ("SFL") requires that contracts for services and commodities be awarded on the basis of lowest price or best value "to a responsive and responsible Bidder." Section 163 (9)(f) of the SFL requires that prior to making a contract award, each contracting agency shall make a determination of responsibility of the proposed Contractor. In accordance with these procurement laws, SUNY will conduct an affirmative review of vendor responsibility for all organizations or firms with which it conducts business.

In response to this section, Vendors and all proposed subcontractors who may receive more than \$100,000 over the life of the contract are required to file the required Vendor Responsibility Questionnaire online via the New York State VendRep System or may choose to complete and submit a paper questionnaire. To enroll in and use the VendRep System, see the VendRep System Instructions on the Office of State Comptroller (OSC) website, available at: www.osc.state.ny.us/vendrep or go directly to the VendRep System online at <https://portal.osc.state.ny.us>. For VendRep System user assistance, the OSC Help Desk may be reached at 866-370-4672 or 518-408-4672 or by email at helpdesk@osc.state.ny.us. Vendors opting to file a paper questionnaire may obtain the appropriate questionnaire from the VendRep website www.osc.state.ny.us/vendrep or may contact SUNY System Administration for a copy of the paper form.

8.2 Procurement Lobbying Act – State Finance Law §§ 139-j and 139-k

Prior to approval of the contract for which this RFQ has been issued by SUNY, a Vendor shall not communicate with SUNY other than with the persons identified in this RFQ as Designated Contacts or with a person who the Designated Contacts has advised the Vendor in writing is also a Designated Contact. Generally, the New York State Finance Law restricts communications between a Vendor or a person acting on behalf of a Vendor, including its lobbyist, to communications with the officers and employees of the procuring agency designated in each solicitation to receive such communications. Further, the law prohibits a

communication (a “Contact”) which a reasonable person would infer as an attempt to unduly influence the award, denial or amendment of a contract. These restrictions apply to each contract in excess of \$15,000 during the “restricted period” (the time commencing with the earliest written notice of the proposed procurement and ending with the later of approval of the final contract by the agency, or, if applicable, the State Comptroller). The agency must record all Contacts, and, generally, must deny an award of contract to a vendor involved in a knowing and willful Contact.

SUNY has developed procedures regarding Contacts and their reporting, review and investigation. SUNY’s procurement record must demonstrate compliance with these procedures. A determination that a Vendor or a person acting on behalf of a Vendor has intentionally made a Contact or provided inaccurate or incomplete information as to its past compliance with State Finance Law §§139-j and 139-k, is likely to result in denial of the award of contract under this RFQ. Additional sanctions may apply. A complete copy of SUNY’s Procurement Lobbying Policy and Procedure and its accompanying forms is available for review at http://www.suny.edu/sunypp/documents.cfm?doc_id=430

In response to this section, **complete and submit Attachment 3, Procurement Lobbying Act Certification.**

8.3 Executive Order 162 (EO 162)

Governor Cuomo’s Executive Order 162 requires state contractors to disclose data on the gender, race, ethnicity, job title, and salary of employees performing work on state contracts.

The successful Vendor award the contract resulting from this RFQ agrees to submit Workforce Utilization Report (Form 7557-110) and require the same information to be submitted by any of their subcontractors on the state contract, in such format as shall be required by SUNY on a monthly basis for all construction contracts and quarterly basis for all other contracts during the term of the contract. Empire State Development has provided specific details on this requirement at <https://esd.ny.gov/doing-business-ny/mwbe/mwbe-executive-order-162>.

8.4 Executive Order 177 (EO 177)

The New York State Human Rights Law, Article 15 of the Executive Law, prohibits discrimination and harassment based on age, race, creed, color, national origin, sex, sexual orientation, gender identity, disability, marital status, military status, or other protected status. The Human Rights Law may also require reasonable accommodation for persons with disabilities and pregnancy-related conditions. A reasonable accommodation is an adjustment to a job or work environment that enables a person with a disability to perform the essential functions of a job in a reasonable manner. The Human Rights Law may also require reasonable accommodation in employment on the basis of Sabbath observance or religious practices. Generally, the Human Rights Law applies to: (i) all employers of four or more people, employment agencies, labor organizations and apprenticeship training programs in all instances of discrimination or harassment; (ii) employers with fewer than four employees in all cases involving sexual harassment; and (iii) any employer of domestic workers in cases involving sexual harassment or harassment based on gender, race, religion or national origin.

In accordance with Executive Order No. 177, prior to contract award, selected Awardee must submit a certification that it does not have institutional policies or practices that fail to address harassment and

discrimination as described above. SUNY is electing to obtain the certification with the quotation documents to avoid unnecessary delay in the contract award process.

In response to this section, **complete and submit Attachment 3, NYS Human Rights Law Executive Order 177 Certification.**

8.5 Diveristy Requirements

A. Equal Opportunity Requirements

- i. Pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other State and Federal statutory and constitutional non-discrimination provisions, the Vendor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, religion, national origin, military status, sexual orientation, gender identity or expression, age, disability, predisposing genetic characteristics, domestic violence victim status, familial status or marital status. The Vendor shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest. The Vendor will state in all solicitations or advertisements for employees that, in the performance of this Contract, all qualified applicants will be afforded equal employment opportunities without discrimination.
- ii. The Vendor will undertake, or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and, if awarded a Contract pursuant to this solicitation, will make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force during its legal engagement with SUNY.
- iii. By submission of a quotation in response to this solicitation, the Vendor agrees with all of the terms and conditions of SUNY Exhibit A including Clause 12 - Equal Employment Opportunities for Minorities and Women and acknowledges that, if the Vendor is awarded a Contract, The Contractor is required to ensure that it and any subcontractors awarded a subcontract over \$25,000 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor, shall undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

In response to this section, **complete and submit SUNY Equal Employment Opportunities (EEO) Requirements 7557-108** identifying the anticipated work force to be utilized on the Contract. If awarded a Contract, Vendor will, upon request, submit to SUNY, a workforce utilization report identifying the workforce actually utilized on the Contract, if known.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

8.6 Service-Disabled Veteran-Owned Businesses (SDVOB)

SUNY is committed to the State's policy of encouraging the development of service-disabled veteran-owned businesses (SDVOB). The Service-Disabled Veteran-Owned Business Act (the "Act") became effective on May 12, 2014, and SUNY has implemented the State's comprehensive plan and operational guidelines to promote SDVOBs and to assist them in obtaining opportunities to participate in the procurement of goods and services by the State. SUNY will employ applicable measures and procedures provided by the Director of the Division of Service-Disabled Veterans' Business Development in the Office of General Services (the "Division"), to ensure that SDVOBs are afforded the opportunity for meaningful participation in the performance of SUNY's contracts and to assist in achieving the Act's statewide goal for participation on state contracts by SDVOBs. Any contractor who willfully and intentionally fails to comply with the SDVOB participation requirements shall be liable to SUNY for damages, calculated based on costs for administration of SUNY's SDVOB program.

For additional information please refer to the SDVOB requirements outlined in SDVOB Prospective Bidder's Notice (Forms 7564-121A, 7564-121B and 7564-121C). A SDVOB Utilization Plan must be submitted with all quotations, utilizing Form 7564-107. All Forms are available at:
http://www.suny.edu/sunypp/documents.cfm?doc_id=816.

Vendors are encouraged to apply to the Division for certification as a Service-Disabled Veteran-Owned Business, and to provide such documentation necessary to establish their status as such in accordance with the rules of the Director of the Division. For purposes of this solicitation, SUNY hereby establishes an overall goal of 6% for SDVOB participation.

8.7 Minority and Women-Owned Business Enterprises (MWBE)

Pursuant to New York State Executive Law Article 15-A, SUNY recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority- and women-owned business enterprises and the employment of minority group members and women in the performance of SUNY contracts. For purposes of this solicitation, SUNY hereby establishes an overall goal of 30% for MWBE participation, 6% for Minority-Owned Business Enterprises ("MBE") participation and 24% for Women-Owned Business Enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs). For additional information please refer to the MWBE requirements outlined in MWBE Prospective

Bidder's Notice (Form 7557-121). For guidance on how SUNY will determine a Contractor's good faith efforts to utilize certified MWBEs, refer to 5 NYCRR §142.8.

Please note the response forms identified in Form 7557-121 (SUNY MWBE Forms 7557-104 & 7557-107) must be submitted with all Bids. Forms are available in SUNY Procurement Policies and Procedures Document 7557 online at: http://www.suny.edu/sunypp/documents.cfm?doc_id=61.

Vendors must submit an MWBE Utilization Plan with their quotation. Upon contract award and prior to contract execution the selected awardee will enter its Statewide Utilization Management Plan (SUMP) and document its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence through the New York State Contract System, which can be viewed at: <http://ny.newnycontracts.com>, provided however, that the selected awardee may arrange to provide such evidence via a non-electronic method by contacting the SUNY Office of Diversity, Equity, and Inclusion.

Any modifications or changes to the Statewide Utilization Management Plan after the Contract execution and during the term of the Contract must be reported on a revised SUMP and submitted to SUNY. SUNY will review the submitted SUMP and advise the Awardee of SUNY acceptance or issue a notice of deficiency within 30 days of receipt.

If a notice of deficiency is issued, Awardee agrees that it shall respond to the notice of deficiency within seven (7) business days of receipt by submitting to SUNY Geneseo a written remedy in response to the notice of deficiency at: procure@geneseo.edu. If the written remedy that is submitted is not timely or is found by SUNY to be inadequate, SUNY shall notify the Awardee and direct the Awardee to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals on Form 7557-114. Failure to file the waiver form in a timely manner may be grounds for disqualification of the quotation.

SUNY may disqualify a Vendor as being non-responsive under the following circumstances:

- If a Vendor fails to submit a MWBE Utilization Plan;
- If a Vendor fails to submit a written remedy to a notice of deficiency;
- If a Vendor fails to submit a request for waiver; or
- If SUNY determines that the Vendor has failed to document good faith efforts.

8.8 Assessment of Diversity Practices

SUNY seeks to engage contractors that have a demonstrated history of hiring, training, developing, promoting and retaining minority group members and women. Under 5 New York Code, Rules and Regulations (NYCRR) Part 141.1(o), diversity practices are the efforts of contractors to include New York State certified MWBEs in their business practices. Diversity practices may include past, present, or future actions and policies, and include activities of contractors on contracts with private entities and governmental units other than the State of New York.

In response to this section, complete and submit Attachment 2, Diversity Practices Questionnaire. This questionnaire elicits information about each prospective vendor in order to verify that its work environment

demonstrates a strong commitment to diversity.

If this solicitation is for the services of an executive search firm, the SUNY Board of Trustees adopted a policy to establish diversity, equity and inclusiveness throughout the SUNY system. Diversity is broadly defined under that policy to include race, ethnicity, religion, sexual orientation, gender, gender identity and expression, age, socioeconomic status, status as a veteran, status as an individual with a disability, students undergoing transition (such as transfer, stop-out, international student acclimation), and first generation students. In furtherance of this policy, all executive search firms are required to provide the following:

- Information about the diversity of your Firm's staff; and
- The Firm's success rate in placing diverse candidates.

8.9 Subcontracting

Vendors choosing to utilize the services of subcontractors partners, joint venturers or other third parties to meet the scope of services set forth in this RFQ, must provide detailed information as part of their quotation. Vendors must comply with the SUNY subcontracting contractual terms as set forth in Section 23, General contract Terms and Conditions, attached and incorporated into this RFQ as Exhibit B.

When proposed subcontractor(s) are NYS Certified Minority and/or Women-Owned Business Enterprises (MWBE) firms or NYS Certified Service-Disabled Veteran-Owned Businesses (SDVOB) in compliance with requirements set forth in Section 5.7, the vendor must also complete appropriate forms as described in that section.

In response to this section, vendors must complete and submit Attachment 5: Proposed Subcontractor Information Submission Form, for each proposed subcontractor. Additionally, proposed subcontractors must file the required Vendor Responsibility Questionnaire as set forth in Section 5.1, when applicable. Vendors are encouraged to utilize NYS firms.

8.10 General Insurance Requirements

1. Insurance

Certificates shall reference the Contract Number. Certificates of Insurance must indicate the applicable deductible/self-insured retention on each policy. Certificates shall be mailed to: Cindy Cole, Doty Hall 315, 1 College Circle, Geneseo, New York 14454.

The Human Rights Law may also require reasonable accommodation for persons with disabilities and pregnancy-related conditions. A reasonable accommodation is an adjustment to a job or work environment that enables a person with a disability to perform the essential functions of a job in a reasonable manner. The Human Rights Law may also require reasonable accommodation in employment on the basis of Sabbath observance or religious practices.

Generally, the Human Rights Law applies to:

- All employers of four or more people, employment agencies, labor organizations and apprenticeship training programs in all instances of discrimination or harassment;

- Any employer of domestic workers in cases involving sexual harassment or harassment based on gender, race, religion or national origin.

Attachment 4: Procurement Lobbying Act Certification

State Finance Law §§139-j and 139-k, enacted by Ch. 1 L. 2005, as amended by Ch. 596 L. 2005, effective January 1, 2006, regulate lobbying on government procurement, including procurements by State University to obtain commodities and services and to undertake real estate transactions.

Generally, the law restricts communications between a potential vendor or a person acting on behalf of the vendor, including its lobbyist, to communications with the officers and employees of the procuring agency designated in each solicitation to receive such communications. Further, the law prohibits a communication (a "Contact") which a reasonable person would infer as an attempt to unduly influence the award, denial or amendment of a contract. These restrictions apply to each contract in excess of \$15,000 during the "restricted period" (the time commencing with the earliest written notice of the proposed procurement and ending with the later of approval of the final contract by the agency, or, if applicable, the State Comptroller). The agency must record all Contacts, and, generally, must deny an award of contract to a vendor involved in a knowing and willful Contact. Each agency must develop guidelines and procedures regarding Contacts and procedures for the reporting and investigation of Contacts. The agency's procurement record must demonstrate compliance with these new requirements.

Accordingly, neither a potential vendor nor a person acting on behalf of the vendor should contact any individual at State University other than the person designated in this solicitation as State University's Designated Contact, nor attempt to unduly influence award of the contract. State University will make a record of all Contacts, and such records of Contact will become part of the procurement record for this solicitation. A determination that a vendor or a person acting on behalf of the vendor has made intentionally a Contact or provided inaccurate or incomplete information as to its past compliance with State Finance Law §§139-j and 139-k is likely to result in denial of the award of contract under this solicitation. Additional sanctions may apply.

Please complete the following:

1. As defined in State Finance Law §§ 139-j (1)(a), has a governmental agency made a determination of non-responsibility with respect to the Offeror within the previous four years where such a finding was due to a violation of State Finance Law §§ 139-j or the intentional provision of false or incomplete information with respect to previous determinations of non-responsibility? NO YES If yes, attach explanation

2. Has a governmental entity terminated or withheld a procurement contract with the Offeror because of violations of State Finance Law §§ 139-j or the intentional provision of false or incomplete information with respect to previous determinations of non-responsibility? NO YES If yes, attach explanation.

CERTIFICATION:

By signing below the Vendor affirms and certifies that it: (1) has reviewed and understands the Policy and Procedure of SUNY, related to SFL §§ 139-j and 139-k, (2) agrees to comply with SUNY's procedure relating to Contacts with respect to this procurement, and (3) has provided information that is complete, true, and accurate with respect to SFL §§ 139-j and 139-k. Vendor understands that SUNY reserves the right to terminate any resulting contract in the event it is found that the certification filed by the Vendor in accordance State Finance Law §§139-j and 139-k was intentionally false or intentionally incomplete. Upon such finding, SUNY may exercise its termination right by providing written notification to the Vendor in accordance with the written notification terms of the contract.

NOTE: As of October 2019, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. **COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS.** Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law § 899-aa; State Technology Law § 208) and commencing March 21, 2020 shall also comply with General Business Law § 899-bb.

28. **ADMISSIBILITY OF REPRODUCTION OF CONTRACT.**

Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence

12. FOIL: Contractor acknowledges that this Agreement is subject to the New York State Freedom of Information Law ("FOIL") as set forth in Article 6 of the New York State Public Officers Law, and that only Contractor's proprietary information that satisfies the requirements of §87(2)(d) of the Public Officers Law shall be excepted from disclosure thereunder.

13. Independent Contractor: Contractor and its agents or employees or any entity or person acting on behalf of Contractor engaged in the performance of work shall at all times be deemed to be performing as an independent contractor. This Section does not excuse either party's obligation to take reasonable steps to follow its normal disaster recovery procedures, or SUNY's obligation to pay for Services provided by Contractor which have been approved by SUNY.

15. Liability and Indemnification:

- a) Contractor shall be fully liable for any act or omission of Contractor and its Staff (officers, employees, agents, subcontractors or licensees) and shall fully indemnify, defend, and hold harmless SUNY and the State, their officials, agents, and employees, without limitation, from suits, actions, damages, and costs of every name and description (including reasonable attorney's fees and expenses) arising from any act or omission of Contractor or its Staff, including bodily or personal injury (including wrongful death); damage to real or tangible personal

property (including electronic systems, software and databases); damage to intellectual property; and infringement or violation of a third party's patent, copyright, license, or other proprietary or intellectual property right; provided however that Contractor shall not be obligated to indemnify SUNY for that portion of any claim, loss, or damage arising hereunder due to the negligent act or failure to act of SUNY. For third party claims, SUNY shall give Contractor:

- i. Prompt written notice of any action, claim, suit, proceeding, or threat of such action for which Contractor is liable relating to this Agreement;
- ii. The opportunity to take over, settle, or defend any such action, claim, suit, or proceeding at the Contractor's sole expense; and
- iii. Reasonable assistance in the defense of any such action, claim, suit, or proceeding at the expense of the Contractor.

Notwithstanding the foregoing, the State of New York reserves the right to join such action, claim, suit or proceeding at its sole expense, if it determines there is an issue involving a significant public interest.

- b) For all other claims, liabilities, and expenses arising under or related to this Agreement where liability is not otherwise set forth in this Agreement as being without limitation, and regardless of the basis on which the claim is made, the Contractor shall be liable for any act or omission of Contractor and its Staff, in an amount not to exceed, in aggregate, the greater of the dollar amount of this Agreement, or two times the charges paid to the Contractor. The Contractor shall not be responsible for loss of records or data unless the Contractor is required to back-up the records or data.
- c) Notwithstanding the above, neither party shall be liable for any consequential, indirect, or special damages of any kind that may result directly or indirectly from such performance, including, without limitation, damages resulting from loss of use or loss of profit by SUNY, the Contractor, or by others.

18. Piggybacking: Other New York government entities as authorized by State Finance Law and General Municipal Law, and other departments, agencies or instrumentalities of the United States government as well as any department, agency, office, political subdivision, or instrumentality of any state or state(s) who are permitted to do so by their procurement laws and regulations, may utilize the Agreement upon securing all legally-required approvals. Private entities, cooperatives and consortia may also utilize the Agreement with the express approval of SUNY and the Contractor.

19. Public Announcements: Public announcements or news releases regarding this Agreement must not be made by the Contractor without the prior written approval of SUNY.

20. Restrictions on the Activities of Current and Former State Officers and Employees: All Contractor employees must be aware of and comply with the requirements of the New York State Public Officers Law, all other appropriate provisions of New York State Law and all resultant codes, rules and regulations from State laws establishing the standards for business and professional activities of State employees and governing the conduct of employees of firms, associations and corporations in business with the State. The Contractor and their employees are cautioned that the hiring of former state employees may violate the Ethics Law. The governing provisions are set forth in the New York State Public Officers Law §§ 73 and 74, and the underlying principle of law is to prevent conflicts of interest and encourage ethical behavior. The law may be found on the following website: http://www.jcope.ny.gov/about/laws_regulations.html. Failure to comply with those provisions may result in termination of the Agreement and/or other civil or criminal proceedings as required by law.

21. Rights in Deliverables: The Contractor hereby assigns to SUNY ownership of all materials created by the Contractor specifically for SUNY hereunder and required to be delivered to SUNY by virtue of their description or specification as a deliverable in the Statement of Work, upon SUNY's payment in full of applicable invoices. Deliverables exclude the

Contractor's proprietary tools, methodologies, and any enhancements made to such tools and methodologies, which shall remain the sole property of the Contractor, and exclude any third-party components whether or not included or embedded therein. Deliverables shall be deemed to be "works made for hire" under federal copyright laws. Notwithstanding anything to the contrary, the Contractor retains all rights to its knowledge, experience and know-how (including processes, ideas, concepts and techniques) acquired in the course of performing the Services.

22. Severability and Enforceability: If any provision of this Agreement is held to be illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining portions of the Agreement, unless it prevents accomplishment of the objectives and purposes of the Agreement, which determination shall be submitted as a dispute herein. In the event of any holding that the illegality or invalidity prevents accomplishment of the objectives and purposes of the Agreement, the Parties will immediately commence negotiations to remedy such illegality or invalidity.

23. Subcontractors, Partners, Joint Ventures and other Third Party Participants ("Subcontractor"):

a. Prior to commencing services, the Contractor shall submit a statement to SUNY describing the portion of the work and materials which subcontractors are to perform and must furnish any other information to document that such subcontractors have the necessary facilities, skill, integrity, past experience and financial resources to perform the work in accordance with the terms and provisions of the Agreement. If SUNY finds that the subcontractors are qualified, it will so notify the Contractor within ten (10) business days following receipt of Contractor's written statement described above. If SUNY determines that a subcontractor is not qualified, it will so notify the Contractor. The Contractor must, within ten (10) business days thereafter, submit a written statement as described above with respect to other proposed subcontractors, unless the Contractor decides to do such work itself and in SUNY's opinion is qualified to do such work.

b. SUNY's approval of a subcontractor shall not relieve the Contractor of any of its responsibilities, duties and liabilities under the Agreement. The Contractor shall be solely responsible to SUNY for the acts, omissions or defaults of such subcontractors and of such subcontractors' officers, agents and employees, each of whom shall, for this purpose, be deemed to be the agent or employee of the Contractor to the extent of its subcontract. No provisions of the awarded contract shall create or be construed as creating any contractual relation between SUNY and any subcontractor or with any person, firm or corporation employed by, contracted with or whose services are utilized by the Contractor.

c. The Contractor shall be fully responsible for the administration, integration, coordination, direction and supervision of all of its subcontractors and of all work. Contractor shall check requirements of the work and coordinate and adjust as required so that conflicts in time, work space, equipment and supplies do not occur in the work being performed by the Contractor with its own employees and the work being performed by its subcontractors.

d. No subcontractor shall be permitted to work until it has furnished satisfactory evidence to SUNY of the insurance required by law.

e. The Contractor shall execute a written agreement with each of its subcontractors and shall require all subcontractors to execute with their sub subcontractors a written agreement which shall bind each to the terms and provisions of the prime contract awarded, insofar as such terms and provisions are applicable to the work to be performed by such subcontractors. The Contractor shall require all subcontractors and sub subcontractors to promptly, upon request, file with SUNY a copy of such agreements upon request, from which the price and terms of payment may be deleted.

24. SUNY Requirements for Contractor Responsibility:

a. **General Responsibility:** The Contractor shall at all times during the Agreement term remain responsible. The Contractor agrees, if requested by the SUNY Chancellor or his or her designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

b. **Suspension of Work for Non-Responsibility:** The SUNY Chancellor, in his or her sole discretion, reserves the right to suspend any or all activities under the Agreement, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Agreement activities may resume at such time as the SUNY Chancellor or his or her designee issues a written notice authorizing a resumption of performance of the Agreement.

c. **Termination for Non-Responsibility:** Upon written notice to the Contractor and a reasonable opportunity to be heard with appropriate SUNY officials or staff, the Agreement may be terminated by the SUNY Chancellor or his or her designee at the Contractor's expense, where the Contractor is determined by the SUNY Chancellor or his or her

designee to be non-responsible. In such event, the SUNY Chancellor or his or her designee may complete the contractual requirements in any manner he or she may deem advisable and pursue available legal or equitable remedies for breach.

- 25. Termination:** The Agreement awarded to the Contractor may be terminated by SUNY for any of the following reasons:
- a. Convenience of SUNY: The Agreement may be terminated at any time upon receipt of 30 days prior written notice given by SUNY for any reason or no reason.
 - b. Event of default: The Agreement may be terminated in the event of breach of any of its provisions by the Contractor, or if the Contractor's Services are deemed unsatisfactory in SUNY's sole discretion, due to Contractor's fault or negligence, or that of its officers, employees, subcontractors, agents, licensees, licensors, or affiliates. In such event, SUNY will send a written cure notice in accordance with the Notice provisions of the Agreement, and the Contractor shall have 30 days to correct the deficiencies noted. If the deficiencies are not corrected, SUNY may terminate this Agreement immediately upon written notice.
 - c. Deficient Certifications: If the Agreement has a value greater than \$15,000, SUNY shall have the right to terminate in the event the State Finance Law sections 139-j and 139-k certifications executed by the Contractor are found to be false or incomplete. If the Agreement has a value of greater than \$100,000 and Contractor's sales for the immediately preceding four quarters were greater than \$300,000, or if the Agreement has a value of \$125,000 or greater, the University shall have the right to terminate in the event the Contractor's Department of Taxation and Finance Contractor Certification form, ST 220-CA, statements are found to be false or incomplete.
 - d. Lack of Funds: If for any reason the State of New York terminates or reduces its appropriations to SUNY, the Agreement may be terminated or reduced at SUNY's discretion, provided that no such reduction or termination shall apply to allowable costs already incurred by the Contractor where funds are available to SUNY for payment of such costs. In any event, no liability shall be incurred by the State (including SUNY) beyond monies available for the purposes of the awarded contract.
 - e. SUNY may terminate the Agreement, upon written notice, in the event of any of the following: (i) The Contractor makes an assignment for the benefit of creditors; (ii) a petition in bankruptcy or any insolvency proceeding is filed by or against the Contractor and is not dismissed within 30 days from the date of filing; or (iii) all or substantially all of Contractor's property is levied upon or sold in any judicial proceeding.
 - f. Upon expiration or termination of this Agreement, the Contractor shall provide SUNY with all necessary records, electronic and otherwise, in the Contractor's possession relating to the Services provided under this Agreement. At SUNY's request, the Contractor shall also make appropriate Staff available to SUNY during normal business hours to answer questions regarding such records and the Services which have been provided by the Contractor under this Agreement. The Contractor shall cooperate to the fullest extent with any successor contractor in order to accomplish a smooth and orderly transition, so that the Services are uninterrupted and are not adversely impacted.
- 26. Trademarks and Service Marks:** The Contractor understands and agrees that SUNY trademarks, service marks and logos are registered trademarks or owned by SUNY (the "Licensed Marks"). To the extent required by this Agreement, SUNY hereby grants to the Contractor a license to use the Licensed Marks only in connection with its work for SUNY under this Agreement. Such license shall limited to the use identified herein and shall not be construed as permission by SUNY to use its name or the Licensed Marks for any other purpose. The Contractor agrees not to use, reproduce, copy, or create materials bearing the SUNY name, logos or Licensed Marks without prior written approval and review of such materials by SUNY.
