

Dining Updates

October 29, 2021

Every week, as we continue to adapt our menu and services to provide better offerings based on your feedback, we'll continue to communicate these changes. We hope our efforts indicate that we are both hearing your suggestions/concerns and making improvements in good faith. Thank you to all who provided feedback.

Updates at Mary Jemison (MJ)

Last week at Asada, we added a seasoned Tempeh, vegan plant-based option. We heard from students that we should bring back our gluten-friendly chicken tenders at Lotus, so this week you'll be happy to find these are back on the menu. Another favorite, now back by popular demand, is the sub roll at Mary's Deli. Next week, get ready to try our new smoothie of the month, which is a seasonal pumpkin pie.

Updates at Red Jacket (RJ)

Above: caramel apple dumpling.
Below: South Side Street Plate with vegan option (late night at RJ)

If you love a tasty Omelette, make sure to visit RJ for breakfast! These are made to order every week day. This week at RJ, we hope you had a chance to try our sweet and savory dumplings at American Grill. Every day we featured a different dumpling starting with a potato & cheese pierogi, a variety of Asian dumplings, fried ravioli (with vodka sauce!), caramel apple dumplings, and Papas Rellenas. Next week is ramen bowl week again at Twisted Fork—perfect choice for sweater weather! If you are looking for allergen-friendly dishes, try one of our delicious Indian stews at Clean Eats in Red Jacket! Daal Makhani and Chana Masala are part of our rotation, so if you haven't already, stop by for lunch this coming Monday. If you enjoy late night, don't forget that we have chicken sandwiches, burgers, veggie burgers, and our salad bar along with a variety of rotating menu items. One of these items is the South Side Street Plate (a vegan option is also available), which can be found on Wednesdays at late night.

Monthly Specials

Have you tried any of our monthly dining specials! In addition to our rotating menus, we offer special menu items monthly. These are highlighted on our online menu, but you can also view a list of specials [here](#).

CAS Sustainability

This week CAS participated in Campus Crunch Day in the MacVitte College Union. The event was hosted by the sustainability committee and helped raise awareness about what we can do, collectively, as a campus and community to be more sustainable. Our vendor partner, American Fruit and Vegetable, donated 300 red NYS apples for all to enjoy.

RTS Dinner & Brunch Shuttle

Plans are in place with RTS for a dinner and brunch shuttle. The shuttle will run weeknights between dinner hours and some late night hours. On weekends it will run during brunch and dinner. Bus schedules are coming and will be announced early next week. Please stay tuned.

Reminders

CAS has a number of sustainability initiatives in place, however it takes a team and individual thoughtfulness to help make our efforts successful. We thank you for your efforts to help us! Just a friendly reminder, we are going through a large number of face masks. We encourage you to consider a reusable face mask to help cut back on waste. We are noticing a large number of missing silverware (MJ) and glassware (RJ). If you happened to "borrow" any of these items, we would greatly appreciate their return. Please do your part to help us reduce our need for single-use plastic!

Thanksgiving is just around the corner. We want to let you know that if you are staying on campus over the holiday, then we have you covered. Food will be available over the break. More details to come.

If you experience an issue with your food, please bring this to the attention of one of our chefs/managers as soon as possible. It is best for us to address an issue as it occurs. We will be happy to provide a new serving.

Unfortunately there will still be times where we are required to make substitutions to menus due to regional and national shortages, or delays in shipment. Please check our [online menus](#) for current offerings.
